Dear Mark

GEL DISPENSERS

I thought I would write to you following our purchase of the dispensers and gels. Our clients and staff use them on a regular basis and feel they are protecting themselves as much as they can within our office environment.

I can assure you as and when we require the refills I will contact you. We have found the level of professionalism you have offered and supplied is of the highest standard.

Yours Sincerely,

GARY ZAYDNER
GELBERGS LLP
Practice Manager
